Campaign Pledge towards a History West Community Centre

History Matters

Our members are passionate about WA history and the stories that abound from our shared heritage.

Centenary in 2026

**This is an appeal for a new future,
a new home as a community history centre.**

The Society contains the nucleus of WA history and cares for a significant collection. We need to give improved access within a well-resourced building. Since 1926 the future of the Society has been dependant on the commitment and generosity of its members and fellow citizens.

The Society is seeking to raise \$7 million for new headquarters

The Society appreciates all support.

Naming Recognition Opportunities: please contact the office for a personal briefing for full details.

The Pledge

I will help build our future.

I make a pledge to the campaign to support the construction/purchase of a building for the care of the collection, research, promotion, understanding and enjoyment of WA history.

Please complete the form on the rear and return to the Society.
