## May 2024

**Pitman and Walsh Rededication** - In 2015, a Pitman and Walsh memorial was erected at the Millers Find shaft, contained within a mining lease held by Norton Gold Fields. To aid public accessibility and safety, a new memorial was constructed about 3.6km from the original position following collaboration between the Western Australia Police Historical Society and Norton Gold Fields.

Saturday the 27th April 2024 a 100-strong crowd attended a ceremony to open the new Pitman and Walsh Memorial on the outskirts of Kalgoorlie-Boulder. The site honours the lives of two police officers who were brutally murdered in the Goldfields almost a century ago.

On April 28, 1926, two officers from the gold stealing detection unit, Insp. John Walsh and Sgt Alexander Pitman, set off south from Kalgoorlie on bicycles to investigate the unlawful processing of gold.

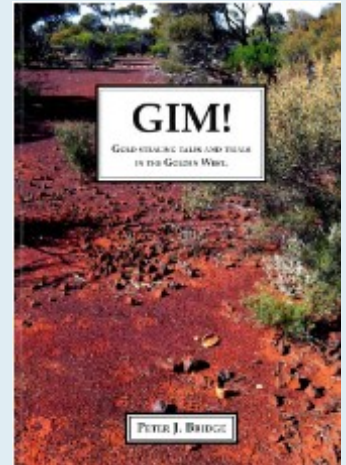

They found two men, Phillip Treffene and William Coulter, illegally processing gold, and were shot dead, the circumstances of the shootings is not clear. In an attempt to dispose of the bodies, they were dismembered and partially burned, before being dumped in a disused mine shaft at Miller's Find.

A search was conducted and 14 days later on May 12 their bodies were found by two civilians. Twelve days later, police officers and Aboriginal trackers located the murder site and found evidence to prove Treffene and Coulter were guilty of the murders.

The pair were hanged at Fremantle Prison later that year.

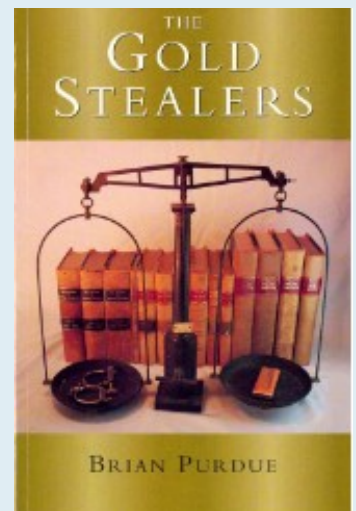

**Next Affiliates Committee Meeting will be held on the 21st May 2024**

Gim! Gold stealing tales and trials of in the Golden West, Gold stealing was a way of life on the WA goldfields. It still continues in the boardrooms of the corporations in which are ensconced only the 'best' people. In our Darwinian economy only the most brazen and successful thieves survive to rob again. Many Westralian fortunes were and are built on these rorts. But it is usually the small miner who got caught. These latter stories have become part of the folklore of the goldfields.

### AMaGA National Awards

Nominations are now open for the AMaGA Awards. The awards are dedicated to honoring and showcasing excellence within Australia's museum and gallery sector. With a rich history of recognising outstanding achievements through a peer-reviewed process, the awards spotlight excellence in various areas such as publications, branding projects, exhibitions, and public programming.

The awards are now unified under a singular banner: The AMaGA Awards (fondly known as 'The AMaGAs'). This consolidation serves to streamline nominations while fostering enhanced accessibility and community engagement for sector-wide recognition. Much like our dynamic museums and galleries, these awards will adapt over time to reflect the evolving priorities of AMaGA, its esteemed members, and the broader sector landscape.

An information session will be held on **Tuesday 9 April 2024 at 2:00pm** via Zoom. [Awards homepage \(amaga.org.au\)](https://www.amaga.org.au/awards)

Of particular interest is the location of the cemetery. Morning tea and lunch provided. Bookings essential.

**Swan Guildford Historical Society** - ANZAC Day in Guildford -This year's ANZAC day service at the Guildford war memorial in Stirling Square attracted a large crowd. Warren Harvey, life member at Swan Guildford Historical Society laid the wreath on our behalf. After the service, the Swan Guildford Historical Society hosted the traditional morning tea at St. Matthews Church Hall. Many thanks to volunteers who worked tirelessly to set up, serve tea, donate food and clear up afterwards. It was a mighty effort.

**Australian Heritage Festival Events** - As part of the Australian Heritage Festival, held in April – May each year, Swan Guildford Historical Society organised two events.

The first on 21<sup>st</sup> April was a walk tour in Guildford called "Clues in the landscape", conducted by archaeologist Dr. Shane Burke. During the walk Shane pointed out archaeological evidence of indigenous, and colonial settlement in the town. We learned a lot during our walk, and will be repeating similar walks in the future.

Clues in the Landscape tour group

The second planned event was a guided bus tour on 12<sup>th</sup> May, to historic sites. At All Saints Church in Middle Swan, we learned about the site where Stirling and his party camped during their first exploration of the Swan River. We journeyed on to Yagan's memorial near Great Northern Highway, a highly significant site to the indigenous community. Finally, a stop at Cruse's Mill in Bellhus where the remains of the Belhus farm estate is located. The watermill

was a flour mill on Ellen Brook, built by William Cruse in 1836.

**Eastern Goldfields Historical Society** - The EGHS has been working on reviving the Kanowna Heritage Trail. Over the past few years volunteers have been hard at work writing content for story panels and information boards. This month we have seen the start of the installation of the signs with the assistance of the Eastern Goldfields Regional Prison.

The City of Kalgoorlie-Boulder is also supporting the project and will be onsite completing ground works in the next few weeks. The project has been made possible through a grant from the Regional Economic Development Commission.

Follow our Facebook page and the [Kanownaheritagetrail.cau](http://Kanownaheritagetrail.cau) webpage to stay up to date on everything Kanowna.

**Toodyay Historical Society** - housed within the historic Donegan's Cottage within the Toodyay showgrounds. The land on which the cottage stands was purchased by Toodyay farmer James Donegan in 1901, so it is assumed he immediately built this simple mud-brick cottage in which initially his eldest son Bill and family lived, followed by their descendants until 1993, by which time the Toodyay Shire owned the building. Donegan's Cottage was restored in 1994-1998. On 30 October 1980 an informal gathering was held for those interested in forming a society for the preservation and restoration of Toodyay's historic buildings and character, and in promoting knowledge and practice of old arts and crafts. From this meeting the Toodyay Society Inc. was formed and became the friendly, active organisation it is today, now known

as the Toodyay Historical Society, holding regular monthly meetings together with organised activities, guest speakers and active participation within town events.

The Society has a substantial library of publications relating to Toodyay and a growing collection of historical photographs. Members have produced a significant body of oral histories and a number of small publications relating to aspects of the town's history. Experienced members provide assistance to researchers, Toodyay businesses and local organisations in their historical research. We are fortunate to have Drummond House, Toodyay's Environment and History Centre, a shared site on the main street with the Toodyay Friends of the River and the Toodyay Naturalists' Club. We welcome members and visitors to drop in for a chat or share knowledge, weekly every Saturday morning from 10am till noon.

Returning in April and May with the theme **Connections**, the 2024 festival will celebrate the rich and diverse stories of our nation, strengthen cultural and historical ties and encourage the community to forge new bonds. It acknowledges our link to people, places and the past, and the enduring connections that will shape the future of heritage.

### Serpentine Historical Society - Old Bridge School

The Serpentine Historical society volunteers open the school every second Sunday of the month, Feb - Nov. from 10.00 am to 2.00 pm (except May when it is the 3rd Sunday), gold coin donation.

The interior of the building represents an early 1900's schoolroom, we encourage children and adults to write with pen and ink, infants with chalk on slate. We have a display of photos and information relating to the district which includes Serpentine, Keysbrook, Hopeland & Mardella. Also a large wall map of the Shire which includes, mid/late 1800's land allotments and 1920's group settlements.

We also open on request for families, schools and community groups. Phone Trevor 0499977529 or email [-serpentine.hs@outlook.com](mailto:-serpentine.hs@outlook.com)

## Bridgetown Historical Society

BHS will be conducting our popular Ghost Walks during the Bridgetown Winter Festival. Winter months, when it's cold and foggy are the best time to experience a Ghost Walk. You will meet up with some of the people of long ago who have stories to tell. The dates are: Friday 5th and Saturday 6th July, Friday 12th and Saturday 13th July. Bookings can be made on TryBooking. <https://www.trybooking.com> Adults \$10pp, Children \$5pp, Family (2 adults, 2 children under 16) \$25 The Walks start at the Bridgetown Police Station Museum at 7pm and go on for about an hour, end back at the Museum where hot drinks and biscuits are available. Numbers are limited to 50 and 2023 Ghost Walks were a sellout. People came from far and wide. Enquiries: 0487 592 704

The Littler Bottler from the **Colonial Bottle & Collector Club** adds to its series of articles on the many aerated water manufacturers in WA in the late 19th and early 20th centuries with an account of the Eureka Aerated Water & Cordial Works in Leonora, originally owned by an early Leonora identity, Christian Alfred Andresen.

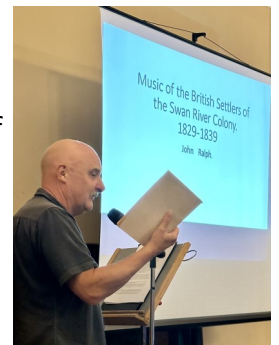

**Wongan Pioneer Museum** - Wongan Hills Pioneer Museum is a combined museum and historical society which holds many amazing records. Archivist Christine Sadler has been involved with the Museum for 25 years, Amazing! If you are in the area Chris would love for people to call in and see what she has been doing. When the new CRC was built they worked very hard to get a Local Studies/History room, we have old hospital museum displays in lots of rooms. They also have a full archive room at the museum and a full Local Studies History room adjoining the CRC and library.

**Maylands Historical and Peninsula Association** - has enjoyed a busy and successful first few months of 2024. The Monthly Monday Talks at the Old Peninsula Hotel were highly successful and very well-attended. In February, John Ralph talked about the *Music of the Early Settlers* - complete with musical demonstrations! In March, Bill Cutler reviewed the history of the *Kalgoorlie Pipeline project*, the specific role of C Y O'Connor and of course the strong linkages to Maylands where the Mephram Ferguson Foundry produced 50% of the pipes used. In April, John McLennan gave a talk on "*Maylands at War*" to mark ANZAC Day, and Keith Cundale gave a similar presentation at lunchtime in Maylands Library.

We have our programme for the rest of the year mapped out and we will always welcome visitors from other Societies! Our web-site continues to evolve with new information added whenever we can and the number of followers on Facebook continues to grow.

We applied to Bendigo Bank for one of the Community Grants and on 6th May we presented a 'pitch' in the form of a short skit. I am delighted that we were successful and have been awarded \$3,000 to acquire new signage for the Old Police Station. This will be used to replace old and out-of-date signs and to create a secure enclosure for displaying current information, flyers and copies of our newsletters. We believe that these new signs will improve our connection to the many members of the public that pass by our premises - as well as giving us the reassurance that information on, for example, opening times, website address and Facebook addresses is all correct, accurate and up to date!

**Denmark Historical Society's** journal - *Koorabup*, includes many photographs of the successful exhibition of Bert Saw's photographs held over the new year period. More than 900 people enjoyed the display.
