Domestic servants in early colonial Western Australia

Lenore Layman

Elizabeth Tichbon, Ann Heppingstone, Letty Diermot, Amelia Blagg, Dorothy Embleton, Mary Cook, Ann Dawson and so many more. Come and explore the lives of these indentured servants in the first years of the colony. Only fragments have been left for us to piece together their lives and the world they made. What we can see when we look among the fragments of this lost world is a different and alternative history of the early colony.

Dr Lenore Layman is a Society Councillor and *History West* editor. Historical research, writing and editing, what happier way to spend retirement?
