Community Talk

Ivan King Actor & founder of the Museum of Performing Arts at His Majesty's Theatre

Come and hear Ivan's backstage gossip and anecdotes of a lifetime in the theatre – performing, touring, collecting memorabilia and establishing the Museum of Performing Arts at His Majesty's.

Ivan has been a stage performer all his life, working in Australia and overseas, both on stage and backstage with a wondrous array of actors and directors. He was driven to establish the Museum of Performing Arts because he saw that as a society we don't recognise enough our cultural history and the performers who brought it all to life.
