

HISTORY WEST

CENTENARY BOOK LAUNCH

One Hundred Years of Treasures

To be launched by the Hon Bob Nicholson

Friday 17 July, 5 for 5.30

History West Centre,
109 Stirling Hwy, Nedlands

As part of History West's centenary celebrations, a commemorative book has been put together highlighting 100 incredible treasures from the Society's collections.

It is a rare and eclectic collection, selected with an eye for how each item fits into WA's unfolding history. From ceramics to furniture, scientific instruments to a beetle-wing ornamented dress, this book presents images which are only a fraction of the incredible collections held in the Society's archives, library and museum.

It gives a glimpse into the social history of Western Australia that will fascinate and enthral readers.

Light refreshments will be served
This event is free, so bring a friend
but book early as places are limited.

Book by using trybooking.
