HISTORY WEST

The Royal Western Australian Historical Society

I would like to formally thank
HISTORY WEST
for hosting the launch of my book

'JERRY HART:

Sex & Drugs & Gilbert & Sullivan'

It is liberating to know that there
is a cohort of history-minded people
who are dedicated to ensuring the
encouragement and promotion of
Western Australian history.

Moreover, the use of the venue
and administrative facilities at
109 Stirling Highway relieved this
regional-based author of the
burden of arranging such an event.
